

The background of the slide is a long-exposure photograph of a city street at night, showing light trails from cars in various colors (yellow, red, white, blue) stretching towards the horizon. On the left side, there is a large, semi-transparent graphic element consisting of several overlapping, concentric circular and semi-circular shapes in shades of grey and white.

Building Enterprise Payments Capability

Trevor LaFleche
Senior Director, Product Management and Marketing

13 June 2019

The only thing advancing
faster than technology
is customer expectations.

Payment Modernisation
